WINEMAKING

This blend is a fine example of the synergy that can be achieved when blending individual varietals. The complimentary effects of the fruit laden Merlot with the elegant and silky Cabernet tannins balance the wine, the Cabernet Franc gives it aromatic lift and focussing structure and the Petit Verdot contributes spice and blueberry fruit.

Harvest was in the last week of February for the Merlot and the last couple of weeks of March for all other varieties. All batches were open fermented and spent 7-10 days on skins before being pressed off. The Cabernet components were fermented in two and three year old American and French oak barrels, the Merlot was fermented in two year old French oak and the Cabernet Franc and Petit Verdot spent time maturing in older French oak.

56% Cabernet Sauvignon, Merlot 30%, Cabernet Franc 8%, Petit Verdot 6%
